Spring is generally a time for deep cleaning and unpacking those tucked away treasures. Here at St James Retirement Hotel we have also had a clean out of sorts and found an amazing time capsule of articles and photos. Just look at this past photo of the Hotel when it was, in fact, still a Hotel. While the photo is undated, I'm sure the cars give you some idea of the period.

Today, while we have added a bit of paint, and some architecture, we still offer our Terrace Menu, a favorite for Non-Residents to have a leisurely cuppa, as well as a venue for Monthly Meetings or Birthday Celebrations. And don't forget to book for our Wednesday and Sunday Buffets!
